Custom Apps

Switching Between the New & Old Dashboards

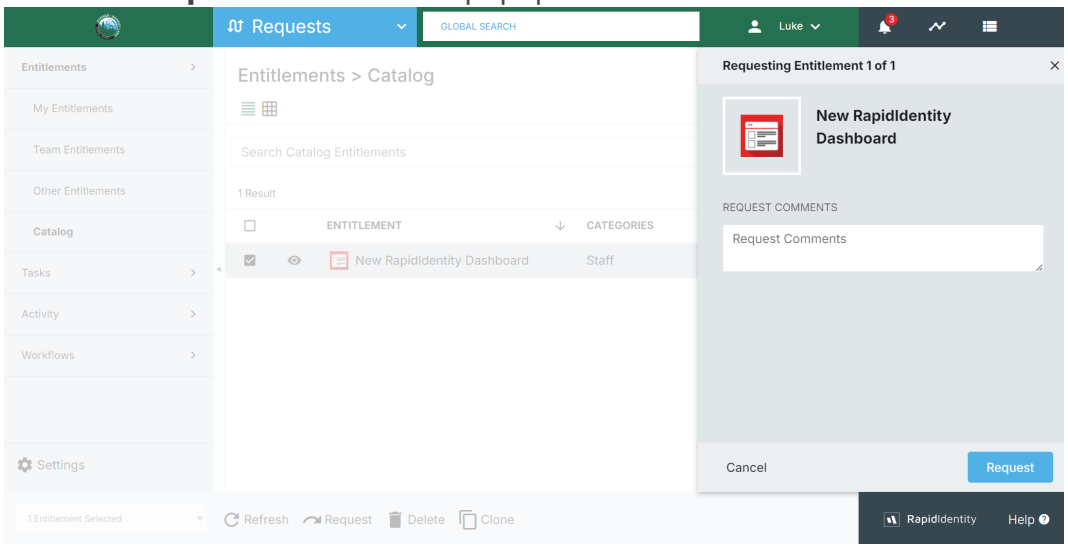

Switch to the **old** dashboard	Switch to the **new** dashboard

Get Early Access to The New Dashboard

1. Open the RapidIdentity Requests module
2. Select **Entitlements** > **Catalog** from the menu on the left
3. Locate the **New RapidIdentity Dashboard** entitlement, then click the **Request** button which will open a popup

4. Click the **Request** button in the popup

5. Wait a few moments for the request to automatically be fulfilled, then navigate to sblsd.us001-rapididentity.com.
